

WGC October 2016 Club Match: Range Officers Choice

Concealed Carry Defensive Pistol Match

The October handgun match will allow shooters to shoot perhaps the most important gun they own ... their concealed handgun. The match will allow legitimate concealed carry guns, either revolvers or pistols. The only requirement is that they are legitimate concealed carry guns, and may not have a barrel exceeding 4 inches in length.

DISTANCE - 15 feet and 25 yards

FIREARM - Any centerfire handgun, with barrel length not greater than 4 inches. Iron sights only.

TARGETS - NRA B-6 and D-1

PROCEDURE - All shooting will be done from the standing position, starting from the "Low Ready" position (gun loaded, arms outstretched at approx. 45 degrees, pointing at the "Ready" spot on the ground in front of the shooter. One or both hands may be used, at the shooters discretion.

Stage 1: NRA D-1 "Bianchi Cup" Target at 21 feet. 2 strings of 5 rounds each, in 10 seconds. At the sound of the timer, the shooter will raise the gun and fire at the target 5 times. This will be repeated once, for a total of 10 shots for the stage. Any shots fired after the 10 second buzzer will be disallowed, and the highest scoring shot will be deducted from the score.

Stage 2: NRA B-6 Target at 25 yds. 2 strings of 5 rounds each, in 10 seconds. At the sound of the timer, the shooter will raise the gun and fire at the target 5 times. This will be repeated once, for a total of 10 shots for the stage. Any shots fired after the 10 second buzzer will be disallowed, and the highest scoring shot will be deducted from the score.

Match score is the total of all 4 strings.
