2025

We will meet at the **Boone Optimist Club** for Christmas Dinner (Potluck) on State Farm Road. We will set up at 5:30pm and start eating at 6:00pm.

RANGE UPDATES

- We are going to purchase a few gravel deliveries for the club's shooting bays and long range patio. This will settle over the winter and support the 2026 Discipline season. A special Thank you to the Discipline Directors for their support and collaboration.
- **Club house winter rules:**
 - make sure the **heater is back on "1"** if it's set higher and you leave.
 - Leave the **bathroom doors CLOSED** (the space heaters stay on 24x7) to keep the pipes from freezing.

DISCIPLINE UPDATES

Trap and Rimfire Benchrest will keep hosting events through the winter. This is a great opportunity to learn a new discipline in a friendly environment. Watch the calendar, dress in layers, and come out and make new friends.

POTENTIAL NEW MEMBERS

These folks have completed the Range Safety orientation:

- Tyler Beshears
- Paul Pierce

WINTER TRAINING EVENTS

- The Range Officer is researching a "Stop the Bleed" half day training event for the Club. This training will focus on gunshot wound triage.
- The Range Officer is coordinating a one day RSO (Range Safety Officer) course - hopefully in February. We will use the current NRA curriculum. There are 14 members signed up - if you'd like to join us, **call Terry (828) 773-9099**. A small fee will be assessed to cover materials.
