January
2024

The January Member Meeting will be held at 7PM on **Thursday January 11th**.

Necessary capital expenditures for berm improvements may be discussed. Our club cannot continue to push needed improvements into the future. Members should be prepared to discuss the cost of these improvements and how the club will pay for same.

Bids for upgrades to berms are still being requested.

2024 MEMBERSHIP RENEWALS DUE

Last call! As a reminder, annual **club dues were due January 1, 2024.** **If dues are not paid by February 1, 2024, the membership expires.** After that date, there will be no renewals, only new member applications. A member that has allowed their membership to expire will have to reapply for membership, go through the two-month new member approval process, pay associated fees and attend the new member orientation class. **Please do not let your membership expire.**

IN MEMORIAM

Sadly, as the new year began, **Carol Shaw** went to be with The Lord after many months of health issues.

Please keep Morgan in your thoughts and prayers and kindly direct any club business to the other Executive Club members.
