March 2025

We will meet at the **Boone Optimist Club** (1012 State Farm Rd) for our March meeting. The clubhouse is by the baseball fields across State Farm from the Watauga Athletic Center. This will be our last time meeting here, as the Club House is ready.

## RANGE UPDATES

The **easement / driveway /** clubhouse area took over 20 loads of gravel to repair, in the fall of 2024. We are looking at another 20 loads of larger gravel this spring of 2025. We have purchased a 40' steel storage container. It is being delivered the week of 17-21 March.

**Club House** has a heater and electricity. The walls have been patched. We still have to get new bathroom fixtures and the office area rebuilt. The portable restroom is the solution for now.

## NEW MEMBERS

The following folks have started the process to join the Club:

- Milland Bradley of Lenoir, NC
- Jesse Dyer of Boone, NC

---

## APRIL MEMBER MEETING

We will meet at the Club. We won't meet at the Optimist Club anymore.

---

## DISCIPLINE UPDATES

We have the competition dates for the Steel Challenge competitions this year. Thank you Kirk!

If the Southern Defensive Pistol dates are known, please push to Marc Scott.

The trap / skeet teams are still wrestling with hardware and infrastructure challenges, due to TS Helene.

## WE NEED YOUR HELP!

There will be more organized Club Work Days. Dan Lofaro has graciously volunteered to manage these events. His email is [lofarodaniel@yahoo.com](mailto:lofarodaniel@yahoo.com) if your schedule allows.

We need the time and effort of any members that are experienced in plumbing or electrical work.
