

WGC Newsletter

October
2025

We will meet at the Clubhouse for the October 9th club meeting.

RANGE UPDATES

- The new camera system is working as advertised. Great work by the crew that installed this for the club. The new badge reader system is also working as described.
- Instructions to setup the app on your phone is mounted inside the clubhouse by the AED.
- We will discuss a concern about removing the 100 yard berm on the 300 yd rifle range. Morgan will talk about the proposal to the membership at the Club meeting. The membership would need to approve the project.

DISCIPLINE UPDATES

Directors, have a great finish to your season!

POTENTIAL NEW MEMBERS

- **Cameron Fogle**, Boone

FALL TRAINING EVENTS

- A “**Stop the Bleed**” training event is being planned for all interested members. We will talk about the event and gauge interest at the Club meeting.
- We are also researching a Range Safety Officer (RSO) course hopefully this fall. Details forthcoming - reach out to Terry if you’re interested in becoming RSO certified.
- **Club Christmas Party:** We are planning to have a potluck on December 11th. More details forthcoming - we’ll email a sign up for side dishes.

RENEWAL SEASON

Annual renewal information - we are switching to QuickBooks Online and will email out renewal invoices this month to all members in good standing.

BYLAW UPDATES PROPOSED

- The EC has several recommended updates to the Club’s Bylaws. They are summarized in the following document. Please review the proposed changes and bylaws before the club meeting. To be voted on at the November club meeting.
- Some changes are minor points of clarification, this October meeting we will discuss all suggested changes in depth.

CLUB OFFICER POSITIONS

Members are encouraged to think about volunteering for a leadership position in the Club. We will present a slate of members willing to volunteer for the Club next month, in November. Voting will be in December.
